TUTORING: Winter 2017

Thanks you for your interest in our program. We look forward to giving your child/children the “SKILLS” that they need to move forward at school and consequently in life.

- The cost of tutoring is **\$20** per half hour.
- Payments are due in the **first** week of each month. These may be mailed to the above address, or paid at the lesson.
- **We do not give credits for tutoring sessions that are missed.** The exceptions to this are religious holidays that fall on the child’s tutoring day. Please DO NOT deduct tuition from your payments. Consult with Lyndsay regarding missed lessons.
- Please arrive on time for the lesson. If you are late, your child’s lesson will still finish on time. If you are early, please wait with your child outside until their class begins. We have a large clock inside to check the time.
- Children need to bring books to each lesson. Lost books cost 50c each.,
- Please be prompt when picking up your child. A daycare fee of \$5 per ½ hour (or part thereof) will be charged if you are late.
- Please do not bring siblings into the classroom, and it’s your responsibility to watch them in the garden.

Please do not sit in on your child’s lesson. Mr. Ferris needs time to work with the children. If you, or your child, do not understand the work, please email him at:

lbFerris@gmail.com

TRAFFIC AND PARKING:

Our neighbors are very aware of and concerned about the increase in traffic on their once quiet road, as a result of our school and tutoring program. The problem stems from the fact that this is a private road, as is therefore owned by the residents.

PLEASE – DO NOT park outside any of their houses and, when parking, make sure that all 4 wheels are on our property.

The speed limit is **10MPH!!!!** and it is enforced.

If you could enter on Adah (gravel road entry) and exit on Sudan (opposite direction), you will be halving the traffic on Adah Rd.

Days that we will be tutoring are:

WINTER	January	February	March	April
Monday	2,9, 16 ,23,30	6,13, 20 ,27	6,13,20,27	3, 10 ,17,24
